

COCKERMOUTH SHOW SITE RULES

Key safety risks on the site are:

- 1 A footpath runs along the edge of the field adjacent to Low Road.
- 2 There are no overhead power cables on the showground
- 3 Generators are the only power supply on the field
- 4 Water pipes have been buried across the field to key locations on site

Vehicles:

- 1 The speed limit on site is 10mph, please use directed routes when possible and avoid damaging the field if weather conditions poor and the ground is soft. The committee reserve the right to refuse entry of any heavy vehicles
- 2 Do not park on other traders pitches or block or restrict access routes around the site
- 3 Fork lift/telehandler/ATV operators must hold relevant competence certificates

Fire

- 1 No smoking is not permitted in any marquee or structure
- 2 Be aware if ground conditions dry and dispose of cigarette ends carefully to prevent fire
- 3 You must have your own fire extinguishers available during build and dismantling

First Aid

- 1 There is a Cottage Hospital site on Isel Road, Cockermouth. However the nearest A&E Depart is at West Cumberland Hospital, Hensingham.
- 2 During build and dismantling operations each contractor is responsible for their own first aid arrangements
- 3 Please ensure that the Secretary or Director is made aware of any accidents or incidents

Safe Working

- 1 All equipment used must be fit for purpose, in good condition and well maintained
- 2 All workers must be competent to carry out their work and wear appropriate PPE
- 3 Risk assessments and method statements should be available for all working at height operations

Welfare and housekeeping

- 1 Toilet facilities are available by the main gate, all grass cuttings, rubbish and waste must be placed in the skips sited across the field or removed from site.

In the case of an Emergency please contact the show Director John Marrs on

07975752829 .
